"...core values"

"...business excellence"

"...excellence in nursing"

Registered Member of

ADULT/SENIORS CARE

- ❖ Care for elderly clients recuperating from injuries, illness or surgery, chronic debilitating conditions, or those simply needing help with activities of daily living, nursing care, supervision, personal care and/or home-making services.

ALZHEIMER'S CARE

- ❖ Care for clients who need special understanding and support
- ❖ Provide compassion for family members in these difficult times
- ❖ Assist with activities of daily living to promote optimum quality of life

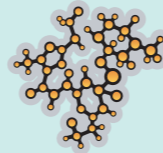

PAEDIATRIC CARE

- ❖ Care for newborns, children and physically challenged children
- ❖ Provide for the special needs of clients through our staff, specifically trained in the care of the disabled
- ❖ Assist with the activities of daily living enabling clients to enjoy life with dignity

MENTAL HEALTH CARE

- ❖ Care for adults/children with developmental disabilities
- ❖ Show compassion and understanding in caring for clients with mental health disorders
- ❖ Provide direction to challenged clients so they may live with respect

REHABILITATION CARE

- ❖ Care for children/adults requiring rehabilitative services due to brain or spinal cord trauma, fractures, cardiovascular diseases or cerebrovascular accidents (acquired brain injury care). Assistance is provided by caregivers with specialized skills who work with clients whose lives have been radically altered by injury or disease.

HIV/AIDS CARE

- ❖ Compassionate, knowledgeable and understanding care for clients living with HIV/AIDS
- ❖ Provide services to help clients live quality lives with dignity and respect

PALLIATIVE CARE

- ❖ Care for clients with life-threatening illness
- ❖ Provide compassion and support for both client and family members in these difficult times
- ❖ Provide comfort measures by qualified professionally trained staff

RESPIRE CARE

- ❖ This service is provided so family members who are the primary caregiver may take much needed breaks from the demanding routines of caring for loved ones at home. Respite programs range from a few hours weekly to a few hours per day.
